Client: Your program has helped me
 alot, not only to stay clean, but
 things about drugs I didn't know
 and you helped with family. Taught me
 that I don't need drugs to have
 a good time and how to control
 your problems. Your program really
 does work on how you guys run
 things and what you guys do

Parent: Your Program Has Helped [REDACTED]
 to stay clean, and to realize how
 using drugs not only affects him but
 everyone around him his attitude with
 family and at school have greatly
 improved. I believe your approach
 with the kids really works after they have
 had a few sessions. Keep up the good work
 and many thanks
