

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: You've helped me see
that changing lies within
ourselves and we just have
to have the will power to do
it.

Parent: I feel your program helped us to
communicate better between each other and to
have a mediator to help us see better from
the outside looking in. I also found it to
be educational at times and challenging to
have to really think things through.
