

## Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I feel as if my life just  
turn around because of the  
insight the counselors and peers  
have given me. I was shown  
a thing I have never seen before,  
Hope. I have hope and luck  
on my side. This program has  
been everything and more  
to me.

Parent: I'm not exactly sure how this can be  
addressed, but I think there needs to be more  
Emphasis within the program on the children  
keeping busy and "activated" during treatment.  
The children & their parents need to work  
together on finding ways to involve the patients  
in healthier activities. For the most part these  
children become isolated, lonely, hopeless and  
helpless during treatment. I think this  
Aspect is doubly difficult in that many of  
the children have either a single parent or  
both parents working. The parents need to devote  
more time to their children outside the program over
