As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: No advice to change anything!
Although I came willingly, I felt
that each subject hit my life
where it needed help? change.
It also effected me in alot of
deeper ways; I had to really think
ABOUT some of my answers.
Very impressed @ my own
change! ;)

Parent: I am impressed by the content brought out
on parent night and have referenced many of
the points brought to light in other areas of
my life. It was always amazing to see the
harsh realities of the kids and their families
and it mad me grateful that we have come so
far as a family and [redacted] as an individual.
We are very grateful for the program.
