

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: the program has helped me with my drug
problem by having me notice the dangers of drug
use and how it can affect my life if use is continued
it has also helped me step back and realize
the situation and if a high risk happens
I've learned how to "save" my self from
relapsing.

Parent: ASAP is a great program that
cuts right into the problem. The
education provided is easy to
ingest. The ratio of teen nights to
parent nights quickly opened up
my teen. Feedback from other
teen's, parents and the counselors
have helped us immensely.
