

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: A very well kept program. I feel that the kids should
be able to decide which group to be in at check-in. I feel
it would help some open up more due to a higher level of
comfort.

Parent: The intensity of this program helps it work
magic on eliminating drug use. We are very happy
that we signed on for the challenge! I think your
counselors are fabulous and wish they could go into
schools and run a program so all students
could benefit from the kindness and caring environment.
The use of peers is priceless!
