

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: As joining asap as a life long commitment
to staying sober, asap has helped a lot and has
showed me the left and rights of drug use.
It made becoming sober more identifiable and
easier to complete this little
part of my life. It has also shown me
examples of what or where you could end
up if you continued using and what
risks your putting yourself in.

Parent: [REDACTED] growth is amazing and as a
hopeless parent ten weeks ago, I can now
say that he is no longer using drugs!!!
The program was great both for the
parent and the teen. I would only
ask that the requirements be
explained more clearly.

Thank you Very Much!
