Client: I think the program is great & it helps to get clean days & stay sober. It helped changed my life around.

The only thing I didn't like was the hours & how many days a week it was. The program is very time consuming, but in the end its worth it. Thanks for everything.

Parent: The program is a learning experience to help teens understand what parents go thru and what parents need to fully understand what teens are going thru. Very educational and parent night exercises with the teens and other parents was also very helpful. Exceptional program. Thank you.
