

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I have come away from ASAP very happy about my experience. The program was welcoming, supporting, and therapeutic, which was exactly what I needed. Giving ASAP clients leadership roles early on will help involvement, and it helped my experience as well. I will miss ASAP!

Parent: ASAP has been a very positive experience for our son. He learned a lot about himself and we have also learned a lot about what we can do to support him through his recovery process! Thank you!
