As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: This Program has been life changing for me, and not just with my substance abuse problem, it has also helped me with my relationship with my parents. The thing that I like most about this program is the support that you get in it. I think that is a key thing to have when <sup>in</sup> someone has a substance abuse program.

Parent: This has been a great program for our family. The joyful ~~is~~ <sup>is</sup> ~~enter~~ vulnerability that is in the culture of the program gives us parents a lasting hope.
