

# Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: MY experience at ASAP has been great. I started out  
really resistant to the program, but due to the group process, I  
eventually opened up and then chose to make sober lifestyle  
changes. The method of how the staff asked questions made  
it seem as if it was on your side. Another very important  
part of group was how many times staff and teens said,  
"I don't know if it's right, I could be wrong but..." It  
showed me that they were just trying to help, and  
not give off the impression that they knew everything.

Parent: Old: as it sounds this  
program was a blessing. <sup>for</sup> Our  
child & ultimately our family  
unit was in crisis. Thanks to  
the caring, kind, and therapeutic  
process, we have come to the  
beginning of healing. We wish to  
thank Duelling & all staff with  
deepest gratitude for coaching  
challenging & supporting [redacted] to  
accept what was & face what can be  
done for you for challenging [redacted] & I as well

we recognize this was/is not  
a [REDACTED] problem. we continue  
the work & have learned so  
much about, [REDACTED], ourselves & our
