

## Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: Overall I had a great experience in ASAP.  
I think staff did a great job at making  
me feel comfortable shaving and being open.  
Even though parent night was my favorite  
night. I always felt like staff and teens  
had my back and would jump in if necessary.  
Also, something that helped me a lot was going  
into a lot of detail with coping skills  
and what to do when im craving a lot!

Parent: We have had a fantastic experience with  
ASAP. [REDACTED] has shown tremendous growth.  
The staff has been knowledgeable and supportive  
throughout. Our family situation is difficult.  
They managed that well. I am confident  
that [REDACTED] has learned skills that she  
will be able to use as she continues her  
recovery.
