

12 Step Meetings Options for Teens Across the Phoenix Area

Teen Addiction Anonymous

<http://www.teenaddictionanonymous.com/howitworks/teens>

Programs - Meeting Sites

Teen AA programs may be started in organizations that provide youth support and have staff who are qualified to work with teens. Background checks must be required from the organization to protect minors against youth predators. Teens, parents, counselors and communities can initiate Teen AA by working with the schools to initiate this program.

High Schools

Meetings take place on site, during the day and may be attended by teens attending that school.
