

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: ASAP is an amazing program.
It helped me with my drug use,
I helped me build my relationships
back together. I think the way ASAP
is now, its perfect.

Parent: We thought there were tons of good things about
this program - we loved parent night + getting everyone's
feedback even if we were in the wrong. We loved how
other parents could tell Devin the same things we had
known telling him but he was more open to it from others.
We loved learning about getting to the "peanut" of the
problem. We loved the "no bullshit" attitude the
counselors had with Devin.
