

## HOME CONTRACT

1. All persons in this home must be drug free.
2. No guests are allowed on the premises without my knowledge and consent when I am home and **when I am not home**. This includes [REDACTED]
3. When permitted to go out, you must be home by the preset time. If you are more than five minutes late, you will be grounded one day for five minutes you are late. If you are out past legal curfew (with or without permission) and I am fined by the police, you will be held responsible for paying the fine.
4. Your phone location services must remain on at ALL times. Turning off your tracker will result in immediate loss of your cell phone privileges for three weeks and grounding for three weeks. Your phone must be charged before you leave the house; a dead battery is not an acceptable excuse.
5. Family members will be treated with respect. No screaming, yelling or raising your voice to me or other family members, no slamming doors. You will be given **ONE** reminder/warning. If the behavior continues you will turn over your cell phone for one hour.
6. Your cell phone will be brought to me every school night at 10 pm and every non-school night at 11:30 pm. I will most likely be asleep so this is your responsibility. If you forget, fall asleep or fail to turn in your phone then you will lose phone privileges for double the minutes late. (i.e., if you are one hour late you will lose two hours phone time during WAKING hours).
7. Grades must be maintained at a "B" average. All assignments must be completed **on time**. If PowerSchool shows a missing assignment, then your cell phone will be turned over to me until PowerSchool shows the assignment completed. There may be exceptions **ONLY** if you have a valid reason with advance permission from me. If your grade average falls below a "B" once you have a driving permit/license, you will be responsible for paying the difference in auto insurance premiums if the good student discount is revoked.
8. No absences from school will be permitted unless you have a fever, vomiting or very bad cold/congestion. Being tired is not a valid excuse to stay home from school nor is vomiting caused by a hangover. If you miss a day of school without a valid reason you will be grounded for two weeks and lose cell phone privileges for one week. Missing a class will result in being grounded for the upcoming weekend and losing cell phone privileges for a week.
9. All chores should be completed as needed without nagging. If you complete your chores without reminders then you will be entitled to **TBD** each week. If you do not complete your chores, your cell phone will be turned over until your chores are complete.

10. If you follow the rules, stay sober and stay out of trouble I will take you to dinner once a month to Ah-So's or other restaurant of your choice. If this good behavior continues throughout the entire summer you will earn ~~100.00~~ before school begins.

11. If you maintain grades as described above you will earn \$50/semester.
