

What are the Three Sayings on the ASAP Coin?

Here they are:

- 1) Who's Drivin' Your Bus?
- 2) Where You Are Is Where You Are ...
- 3) If Things Don't Change, Things Don't Change ...

These three sayings, and also the artwork that was made into the ASAP coin, are proud products of real ASAP clients over the years. They each have great meaning to our clients and our staff at ASAP. But we cannot reveal precisely what each of the three sayings means- to learn that information you have to go through the ASAP Program.
