As you leave the ASAP Program please describe the quality of your experience at ASAP:

Client: My experience at ASAP has been fantastic!
I never imagined myself being clean before,
but now I can see myself in a sober lifestyle.
Without your help I don't know where I'd
be right now. Being in ASAP made me feel
less alone and like my life was worth living,
For that, I am so thankful.

Parent: WE FEEL THAT [REDACTED] HAS MADE TREMENDOUS
POSITIVE IMPROVEMENTS IN HER LIFE TOWARD
SOBERITY, AND FEEL THAT ASAP HAS PLAYED
AN IMPORTANT AND MAJOR ROLE IN DOING
SO. THE PARENTS NIGHT ALSO PLAYED AN
IMPORTANT ROLE IN OUR PROGRESS AS
WELL.
