

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I think ASAP does an awesome job at getting to the root of problems and how to go about them. I just think that the cravings need to be addressed and talked about more.

Parent: My husband and I gained powerful tools and insight about our daughter ~~teens~~ teens and drug abuse through ASAP. Our relationship with Kat has improved dramatically and our entire family has also benefited. ~~As~~ As parents we are more aware, more proactive and more supportive of Kat's unique needs.
