

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I would like to personally thank all of
the counselors for their dedication to these
kids. It takes being a truly selfless person to
deal with kids like us and create positive change.
I believe that you have helped every person
that has gone through this program, even if
they did not graduate. ASAP is a great place
and I believe that you will never give up
on us.

Parent: In the beginning I was hesitant to see how a ten week program
could make a difference when [redacted] challenges with drugs/alcohol had
been going on for the past three years. I'm pleased to say now that
I've seen a dramatic change - all for the better! [redacted] seems to
be back to his old self - confident, calm, focused. Although he has
more growing to do, as we all do, I see a mature, responsible young
man now ready to take on the challenges of his bright future.

Just keep doing what you're doing. Something's working!
Thank you all for your commitment and love towards these
young people.
