

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: this program helped me a lot it gave me more motivation and showed me you can get done and overcome your drug use I believe strongly in this program it really does work.

Parent: The information we learned in the class will stay with us for ever. A lot was very frightening and new to my husband and me. We learned good communication skills we will continue to use. I had to learn to question things [redacted] said & did which made me uncomfortable but I do it because I love her and want the best for her. [redacted] & [redacted] learned to listen to each other and not blow up even if they disagreed.
Thank You!
for giving us our daughter back
