

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: This is a great program. From the counselors knowledge, insight, and exposure to the tools and knowledge you all create for us. You get in what you put out. The way the program is set up length-wise takes quite a while, but that's part of the program so we can tackle more of the day to day skills we need to be successful.

Thank you guys for your support.

Parent: This program is phenomenal! It has been perfected over the years. I know [redacted] has learned much about himself. My husband and I didn't expect to learn so much about ourselves, our parenting skills/mindset, and so much about [redacted]. Our family is happier and more connected. As parents, we feel more in-tune with all of our children. And we've gained a lot of useful knowledge on drugs and signs of use.

Thank you.
