As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: It was great. I learned so much more
this time around. And the counselors are great.

Parent: This is our second time here and we believe in
your program. [REDACTED] is more mature this time and he's
seeing the power of addiction in a different way. He's
holding himself accountable as does group. I strongly
believe having the kids talk to each other and being
staffed is key to this age group. The adopt a kid
assignment is wonderful, these kids hear positive comments
about themselves that they're not hearing at home.
